DOCKET NO. 2003-277-S - ORDER NO. 2008-422

JUNE 13, 2008

IN RE: Application of Jacabb Utilities, LLC f/k/a J.)	ORDER APPROVING
C. Cox Utilities, Inc. for Approval of New)	LIFT STATION AND
Schedule of Rates and Charges for Sewerage)	AUTHORIZING PHASE 2
Service Provided to Its Customers in)	RATES
Anderson County, South Carolina)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on a request by Jacabb Utilities, LLC ("Jacabb") to approve construction of a lift station that will allow the utility to tie into the Town of Williamston's Big Creek East Wastewater Treatment Plant, using Anderson County's capacity, and for authorization to implement phase two rates. The South Carolina Office of Regulatory Staff ("ORS") has completed a review of these issues and has no objections. It advises the Commission that Jacabb received permission from Anderson County and the Town of Williamston to use a portion of Anderson County's capacity of Big Creek East Wastewater Treatment Plant. ORS also advises that Jacabb has received a permit from the South Carolina Department of Health and Environmental Control ("DHEC") to construct a lift station in order to complete the necessary upgrades to facilitate using the Big Creek East Wastewater Treatment Plant.

In addition, ORS reviewed Jacabb's compliance with Order No. 2004-101 (March 11, 2004) in Docket No. 2003-277-S. Order No. 2004-101 requires a DHEC approved

plan, and the company's application includes a DHEC construction permit to erect the lift station referenced above. Order No. 2004-101 also requires that Jacabb review different treatment alternatives. These alternatives were filed by Jacabb with the Commission on May 5, 2008.

Since the preconditions outlined in Order No. 2004-101 have been met, we find that construction of the lift station and implementation of phase two rates are in the public interest. Therefore, Jacabb's requests are approved and authorized.

This Order shall remain in full force and effect until further order of the Commission.
